

Stacer Aluminium Boats

Please note the boat in image may not represent the model shown and may include additional options and/or upgrades.

359 PROLINE L/S

The Stacer 359 Proline LS is designed for anglers and boaters who love exploring Australia's inner waterways, creeks and rivers. Constructed with a durable and sturdy aluminium hull the boat features a no fuss layout that can accommodate up to two people, with ample space for fishing gear and other equipment. Available upgrade options include a bimini to keep off the worst of the sun, rod holders to free up space on the floor and a variety of paint/vinyl wraps.
