

## Stacer Aluminium Boats

Please note the boat in image may not represent the model shown and may include additional options and/or upgrades.

### 399 PROLINE

The 399 Proline is the largest of the Proline tinnie range and features 1.6mm bottomsides, 2 aluminium bench seats, glove box and a max engine capacity of 30HP. There is space for 4 to head out on the dam, creek, river or lake to chase those freshwater fish. Upgrades are available to maximise your fishing experience including casting platform, rod holders, extruded side decks, bow mount thruster plate and transducer bracket.
