

FOUR-STROKE F2.5 *Portable Power*

Small in size, but big in performance, the F2.5 single cylinder, four-stroke engine provides an extremely lightweight and portable engine for smaller craft. This versatile and compact unit includes a handy carry handle making moving and installing this engine effortless, while the smart leak-free design allows the engine to be safely and conveniently stored on its front, right or left side.

ENGINE FEATURES

- 72cc single-cylinder engine.
- Auto decompression for easy pull starting.
- Lightweight and compact design.
- Large, comfortable carry handles.
- Ability to lay on one of three sides, for leak-free storage.
- Built-in fuel tank.
