Description

Horizon 515 Seabreeze Bowrider

The bow rider design has become one of the most popular styles in boat designs for the family, allowing for ample cockpit space fore and aft without giving away any of the features normally found aboard typical runabouts.

The SeaBreeze range created by Horizon Aluminium Boats will certainly suit the boating family in every sense.

Like some others in the extensive range from Horizon, the SeaBreeze breed qualifies as all-rounders, capable of handling many varied roles associated with fun afloat.
